## What our parents say about CCAs

“Engaging in a CCA can help children develop a sense of responsibility, time management skills, teamwork and leadership qualities...”

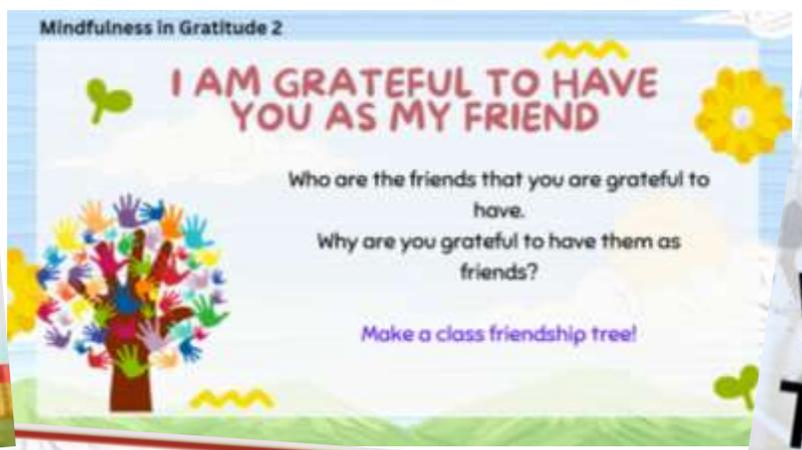

“While preparing for the PSLE is undoubtedly important, CCA offers a break from academic studies, allowing students to engage in activities they enjoy and develop their talents...”

“Help the child understand the importance of self-care and maintaining a healthy balance between their commitments. Encourage them to take breaks, engage in hobbies, CCAs, etc...”

## Supporting your child's transition through

# Primary 5/6

Build a caring home environment to nurture the social and emotional skills of your child using these S.A.F.E. tips.

## SUPPORT

- **Encourage** your child to **talk to a trusted adult** for guidance.  
E.g. Family members, school counsellors and teachers.
- **Help** your child **understand decisions made and actions** taken. **Share the reasons** for them.
- **Keep rules short and realistic.**  
E.g. No handphoned allowed during meal times.

## AFFIRM

- **Recognise** his/her demonstration of **good values or social skills.**  
E.g. Respect or good time-management.
- **Praise** your child's **efforts regularly.** Only scolding him/her without providing any justified praise at other times can be demoralizing.

## FAMILIARISE

- **Find out** what Primary 5 and 6 is like for students these days. **Moderate your expectations** according to your **child's own strengths and development.**
- **Share information on physical changes during puberty;** include the range of emotions that may accompany it.

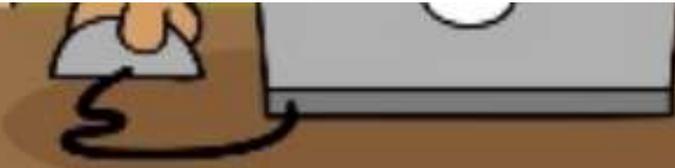

## EMPATHISE

- **Show** that you **understand your child's concerns.** Be flexible in guiding your child when necessary.  
E.g. Vary your voice tone when you talk to him/her at different times and circumstances.
- **Teach with less talk and more role-modelling.** Children learn a lot by simply watching.

## Spend Time Chatting. Use T.A.D.

### Talk

Talk about things that friends might pressure him/her to do, which can be harmful.

E.g. risky dares; deciding to meet an 'online friend' in person; making online purchases

### Ask

Ask your child about interests he/she would like to explore, and what he/she needs to do to develop them.

E.g. make time for practice, sign up for courses/lessons

### Discuss

Discuss a variety of occupations that your child may be interested to explore.

E.g. chef, interior designer, housing agent.

### QUICK TIPS

- **Listen without being distracted. Put aside** whatever you had been doing.
- **Be prepared to accept your child's views** even though you may not fully agree with them.

*These tips may be used with children of other ages too, if depends on each child's needs. Using these tips as your child journey through the school years can help ease anxiety and worries, and build warmer and closer relationships at home.*

# TIPS FOR PARENTS

Be open and flexible when discussing your child's preferences, needs and choices.

Manage your own expectations and do not project these expectations onto your child.

Have regular conversations with your child to understand more about his/her strengths, interests, abilities, talents and aspirations.

Affirm your child and offer support when he/she shares his/her plans with you.

# Subject-Based Banding (Primary)

- Through Subject-based banding (SBB), students could take a combination of subjects at the standard or foundation levels depending on their strengths
- SBB is offered at P5 and P6.

# Rationale for SBB

- Allows students to:
  - **focus** on and **stretch** their potential in the subjects that they are strong in
  - build up the fundamentals in the subjects that they need more support in.

**The intent for SBB is not for offering softer options but to enable lifelong learning in students.**

## Primary 4

**Students sits for the school exams.**

School recommends a subject combination based on their exam results at the end of the year.

Parents fill up an option form to indicate their child's preferred subject combination.

## Primary 5

**Students take their preferred subject combination**

School assesses your child's ability to cope with the subjects at the end of the year.

Adjustments to the subject levels are made if needed.

**Final Decision for your child's SBB will be made by the school.**

## Primary 6

Students take the subject combination **decided by the school** and sits for the **Primary School Leaving Examination (PSLE).**

Subject Combination	Abbreviation
4 Standard subjects	4S
4 Standard Subjects and 1 Higher Mother Tongue Language	4S1H
3 Standard Subjects and 1 Foundation Mathematics	3S1F(MA)
4 Foundation Subjects	4F
3 Foundation Subjects and 1 Standard Mother Tongue Language	3F1S(MT)

# School Considerations and Criteria

- Performance at P5
- Past performance at P1-P4
- Recommendations by form and subject teachers

*Taking subjects at the foundation level is not a disadvantage for your child. It will help them to build up the fundamentals for the subjects and better prepare them for progression to secondary school*

**How does the PSLE Scoring & S1 Posting work?**

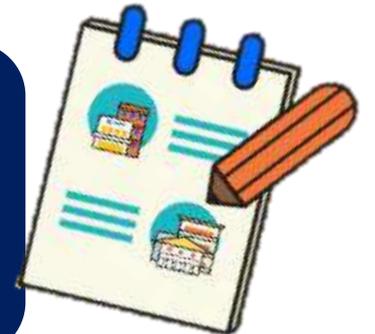

**How are students posted to secondary schools?**

# WHAT IS THE INTENT OF THE PSLE?

**A useful checkpoint at the end of primary school**

**A fair way to determine secondary school posting**

# WHAT ARE ACHIEVEMENT LEVELS (AL)?

- Students with similar scores in each subject are grouped into scoring bands measured in 8 ALs.
- AL bands and mark ranges are set based on the learning objectives of the curriculum, and mirror the way we learn.

**Encourage our children to set SMART goals**

AL	RAW MARK RANGE
1	≥ 90
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	< 20

# HOW DOES THE PSLE SCORING SYSTEM WORK?

- The overall PSLE Score is made up of 4 subject Achievement Levels (ALs).
- The PSLE Score can range from 4 to 32, with 4 being the best.

Elena		PSLE Score 14
PSLE Subject	AL Score	
English	2	
Math	2	
Foundation Science	ALA = 6	
Mother Tongue Language	4	

# GRADING OF FOUNDATION SUBJECTS

- Foundation subject grades are graded in scoring bands from **AL A to C**.
- To derive a student's overall PSLE Score for S1 Posting, AL A to AL C for Foundation level subjects are **mapped to AL 6 to AL 8 of Standard level subjects respectively**.

FOUNDATION LEVEL AL	FOUNDATION RAW MARK RANGE	EQUIVALENT STANDARD LEVEL AL
A	75 – 100	6
B	30 – 74	7
C	< 30	8

# ELIGIBILITY CRITERIA FOR HIGHER MOTHER TONGUE LANGUAGE (HMTL)

## ELIGIBILITY CRITERIA FOR HMTL

- (i) An overall PSLE Score of 8 or better**
- or**
- (ii) An overall PSLE Score of 9 to 14 (inclusive); and attain**
  - **AL 1 / AL 2 in MTL or**
  - **Distinction / Merit in HMTL**

# HOW DOES THE S1 POSTING WORK?

- Your child has **six choices** in selecting their secondary schools.
- Your child will be posted to a secondary school based on **academic merit**, **i.e., PSLE Score**, and their **choice order of schools**.
- If two or more students with the same PSLE Score vie for the last remaining place(s) in a school, the following tie-breakers are used in the following order:

## 1. CITIZENSHIP

## 2. CHOICE ORDER OF SCHOOLS

## 3. COMPUTERISED BALLOTING

- The tie-breaker based on school choice order recognises the different considerations that families have in making school choices.

# HCL POSTING ADVANTAGE TO SAP SCHOOLS

Students will be considered for admission to SAP schools in the following order:

1st		7	NO HCL
2nd		8	DISTINCTION
3rd		8	MERIT
4th		8	PASS
5th		8	NO HCL
6th		9	DISTINCTION

Students with better PSLE Scores will be posted first, even if they did not take HCL

- **Students who obtain (i) a Distinction / Merit / Pass in HCL and (ii) a PSLE Score of 14 or better are eligible for posting advantage to SAP schools.**

Amongst students with the same PSLE Score, those with better HCL grades will be posted first

- Students are ranked taking into account their performance in HCL.
- This posting advantage applies before the tie-breakers for S1 Posting.

# HOW DO WE INTERPRET THE PSLE SCORE RANGES?

The PSLE Score range refers to the PSLE Score of the first and last student admitted to a particular school in the previous year via the S1 Posting Exercise. This shows the range of student profiles who enter each school.

## Example

XX Secondary School

PSLE Score range of 20XX (previous year's S1 Posting Exercise)

Posting Group 3	15 – 20
Posting Group 2	21 – 24
Posting Group 1	25 – 28

PSLE Score of the first student posted into the school in the respective PG.

PSLE Score of the last student posted into the school in the respective PGs [i.e., the school's Cut-Off Point (COP)].

*Note: Posting Groups will be assigned based on PSLE Scores, mapped from existing PSLE Score ranges for Express, N(A) and N(T) streams.*

A vibrant school with a culture of care and the spirit of excellence

# EXAMPLE OF AN SAP SCHOOL'S PSLE SCORE RANGE

While students need not take HCL to enter SAP schools, students who pass HCL receive a posting advantage for admission. To reflect this, the PSLE Score ranges of SAP schools include the HCL grades of the first and last student admitted in the previous year via S1 Posting.

## Example

XX Secondary School

PSLE Score range of 20XX (previous year's S1 Posting Exercise)

Posting Group 3	5 (D) – 12 (P)
Posting Group 2	
Posting Group 1	

PSLE Score and HCL grade of the first student posted into the school through PG3.

PSLE Score and HCL grade of the last student posted into the school through PG3 [i.e. the school's Cut-Off Point (COP)].

*Note: Posting Groups will be assigned based on PSLE Scores, mapped from existing PSLE Score ranges for Express, N(A) and N(T) streams.*

# IMPORTANT FACTORS TO CONSIDER WHEN CHOOSING SECONDARY SCHOOLS

## 01 SCHOOL CULTURE

What is the school's culture and ethos?

## 02 LEARNING ENVIRONMENT

How do I feel about the school based on what I saw at the Open House?

## 03 PROGRAMMES

Does the school have programmes I would enjoy?

## 04 CCAs

Are there CCAs that interest me and can nurture my strengths, abilities and talents?

## 05 SUBJECTS

What subjects are offered in the school?

## 06 LOCATION

How long will it take for me to travel to school and back home?

# DIRECT SCHOOL ADMISSION (DSA-SEC)

- Seeks to **promote holistic education** and provide students an **opportunity to demonstrate a more diverse range of achievements and talents** in seeking admission to a secondary school
- The **selection will be based on their achievements and talents before the PSLE results are released.**
- Different secondary schools have different selection criteria
- Takes place from May to Nov (tentative) each year

# Direct School Admission (DSA-SEC)

## Categories

- Entrepreneurship and Innovation
- Language and Humanities
- Leadership and Uniformed Groups
- Performing Arts
- Science, Technology, Engineering and Mathematics
- Sports and Games
- Visual Arts, Design and Media

# ENTERING SCHOOLS THROUGH DSA-SEC

# Centralised DSA-SEC Application Portal

- Applicants only need to **fill in one online form** to apply to multiple schools using parent's Singpass login.
- Students interested to apply to Singapore School of the Arts (SOTA) or Singapore Sports School (SSP) will continue to apply directly to the schools because of their unique admission requirements.
- Details such as student's Primary 5 and Primary 6 academic results, Co-curricular Activities (CCA), school-based achievements/awards will be **automatically shared** with the schools that the student applies to.

**Schools do not issue testimonials for DSA applications / admissions to secondary schools/appeals for secondary school transfer**

# Direct School Admission (DSA)

## Important Things to Note

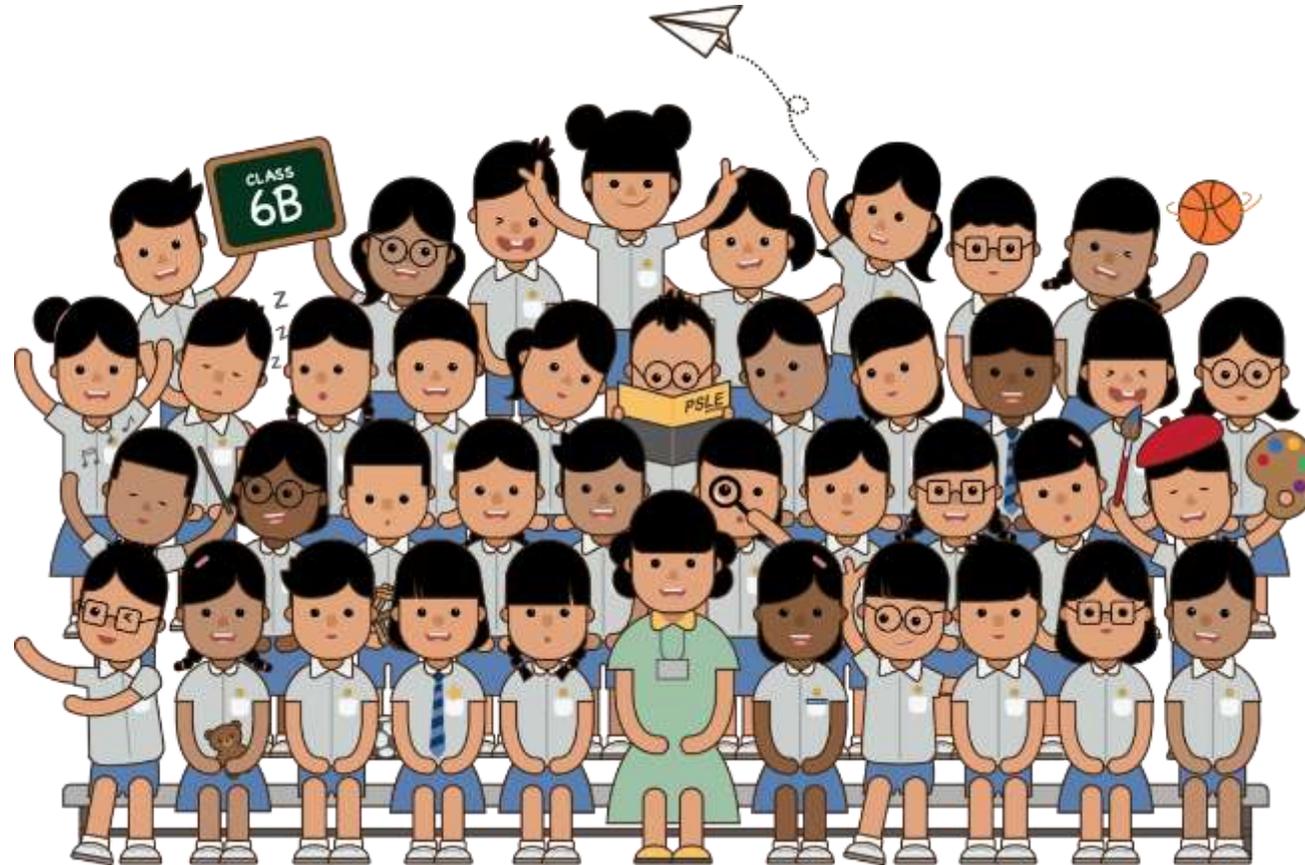

- Student's **PSLE score still matters**. Students offered placement in a DSA-Sec school still need a PSLE score that qualifies them for the course offered by the school.
- Successful DSA candidates will **not** be allowed to make any **school option** in the centralised S1 Posting Exercise.
- Unsuccessful DSA candidates will have to participate the S1-Sec Posting Exercise after receiving their PSLE results.

You may find more about the DSA-SEC at the following link:
